### **Reading**

Please ensure that children are practising their reading at home 3-4 times per week, with their reading books.

It is also important for children to return their reading book each week to be changed. Children will change their reading book once a week on a specific day for their group.

Please can we ask that children bring their book and bookbag with them to school every day - a bookbag will be provided for every child 😊.

\*Our incentives for reading include:

Children will receive x1 raffle ticket for 3 reads at home and x2 raffle tickets for more than 3 reads.

Raffle tickets will then be entered into our weekly prize draw for a chance at winning a book to take home as their prize.

We hope that these incentives will support you and your child to practise their reading as much as possible at home.

### **Spelling and maths homework**

Homework this half term, will be based around the basics: reading daily at home (20 minutes is the target) times tables, using Timetable Rockstars and spellings. We will be giving homework out on a Monday and collecting it in on a Friday. Please do come and speak with us if you have any questions – one of us is always on the door in the morning and in the afternoon. Thank you so much for all your support this term - it is so appreciated!

### **Project homework**

At the end of each half term a project will be set for each child to complete over the half term break – this will be specific to our curriculum.

If you have any questions at all, please speak to a member of the Year 4 team.

Many thanks for your support 😊
