

Dear All,

Thank you for the replies regarding the before and after school care club we are looking into. Please can any last replies come to the office (spare letters are available there) for Monday morning please.

We will be sending out the instructions for signing up for Parental Consultations very shortly so please keep a close eye out for these.

This week the classes have been working hard and we have had some visitors in school reviewing the writing curriculum and teaching. Next week we have visitors from the English hub in to see us with a focus on Phonics too.

A few quick reminders:

- Always look at our Instagram page to follow all the exciting things we do in school each week- the QR and link are in the box below.
- Bikes and scooters are welcome at the school and have been brilliantly stored in our new bike shelter! But please remember that they must not be used on the school site so please remind your children to walk carefully with them to the gates.

Have a great weekend!
