

Dear All,

I hope you've all enjoyed your week.

You should all have received information for the new wrap around offer we are starting to provide from 6/1/25. This will be called 'Early Birds' for the morning provision and 'Night Owls' for after school. At this stage we need the letters returning so we can send out registration forms or to ask that you come to the office to complete these ASAP and bring them to the school office next week.

This week we welcomed 2 new staff for a visit (Mr Dean and Mrs Mistry) they very much enjoyed meeting their new classes and the children in Y2 and Y3.

One thing we have trialed in school recently is a Thursday afternoon 'Charity Cook' for Street Treats. This was donated to their Thursday night meeting in Manchester and given out to those who need our support the most. We will be sending out a message to ask for people to donate foods for us to cook with and also to come and support the cooking on selected Thursday afternoons from 2.30pm until 3.10pm. We plan on opening this up for parents to join us too, so please keep your eyes open for the information as to how to join us in January 2025 with this worthwhile initiative.

There is lots going on next week with it being the last week of term and the Christmas Fair! I hope you can join us at the Christmas fair on WEDNESDAY 18th December (front yard from 3.30pm) . It is also Christmas jumper day and Christmas lunch day...so an amazing festive day, awaits us all!!!

Thank you to everyone for supporting the Tombolo today with chocolate and Bottles. This weekend the children have been sent home with raffle tickets – please could we ask that if you want to support this that you follow the instructions and return the envelopes and tickets before 9am on Wednesday 18th December to the office. Donations can still be left with the office next week and we have a couple of stalls left for rent too!

I hope you have a good weekend and see you all next week!
