

St Stephen's CE Primary School

WEEKLY INFORMATION NEWSLETTER

DATE: 16th May, 2025

Dear All,

Well done to all the Y6 children who took their SATs this week in Y6...glad you all enjoyed the treat today!

I'm sure there will be a little reward waiting if you do...

There is lots in the press at the moment about the government support for parents with longer opening for schools. Remember that our new before and after school care is now open. Details are on the website (under the 'parents' tab) for this. We called it 'Early birds and Night Owls'.

<https://www.ststephensprimary.co.uk/parents/wrap-around-early-birds-and-night-owls>

It is priced at £5 per hour and open from 7.45am until 5.30pm every day. We provide snacks and lots of fun, supportive experiences for the children. Please speak to the school office or ask Miss Lawlor to call you for more details including how to claim back the vast majority of the fees for the club....bookings are taken on the Parent Gateway (payment) app.
