

Dear All,

Our new school Hall display and Library are coming together nicely and will be finished too- we hope that those of you who have been into school like the changes we are starting to make to make the indoor and outdoor environment more pleasant and suitable for our children...we certainly love the changes!

Please help to support the Macmillan Cancer "world's largest Coffee morning " next Friday for the children and for yourselves- Cancer sadly, reaches into too many of our lives and every £1 we raise will make a difference...you can still donate without having to visit our 'Grab and Go' area next Friday after you have taken your child/ children to class....coffee, tea, bottled drinks and a cookie/ Cake are on offer for a suggested donation of £3 (sorry it's cash only for this as we do not have a card reader for payments)

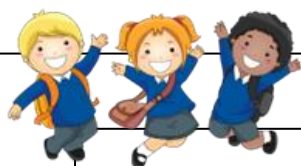

Have a great weekend!

Weekly prayer from around the school – Y5

Dear God, Thank you for your creations and bringing us into this world.  
Thank you keeping us safe and healthy and providing us with food and water.  
Thank you for education and a roof over our heads.  
Thank you for our pets and animals that we look after.  
Thank you for showing us how to love and respect.

AMEN
