

Dear All,

I hope you've all enjoyed your week.

We had a fabulous day with our comic relief theme today and hope that the children enjoyed the jokes and fun...and that it continues tonight with the famous 'TV show' that highlights the total amount of money raised. We had 2 external audits in school this week for GDPR as well as Health and Safety, both of which went very well and then finally some excellent feedback from the Phonics team at our English-hub regarding the progress of the children in our Reception class and Year 1. Well done to all involved in these! Don't forget that we are cooking a chicken curry next week for our charity partners 'Street Treats', we welcome Donations of food on the day and are very grateful for the parent and community volunteers who have helped to cook with us so far. The dates and ingredients for summer will be released shortly.

A final Prayer for the week: Y6

Dear God,  
Help us to forgive people who have done wrong by us.  
During the season of Lent, help us to stay strong and forgive us our sins.  
Please forgive us for the times we have not followed your word.
