

Dear All,

Thank you for all your support for the MacMillan 'World's biggest Coffee Morning' , we raised over £100 for the charity...with money still coming in at the time of writing.

We hope you also enjoyed the book fair and the donations of books have been very gratefully received.

Next week is the Harvest festival – please keep sending the donations in to your child's teacher. We are having a special Celebratory Harvest lunch free for all our children – check your child's bag for the letters!

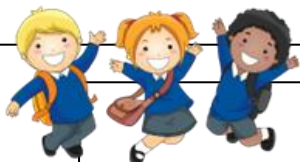

A polite reminder, if your child is dropped off or collected by a different person (childminder / grandparent etc), please ensure they know the safety expectations for this, including children walking around the premises and children being dropped off at the classroom door.
