

# Year 6 Curriculum Overview

## Autumn 1

### ENGLISH

We will be learning about newspaper reports and writing one based on our book *'The Barnabus Project'*.

### MATHS

We will be learning about place value, addition, subtraction, multiplication & division.

It is important that children continue to practice their times tables as much as possible to support with their maths.

### FRENCH

Classroom items and clothing.

### RELIGIOUS EDUCATION

Creation and science: Conflicting or complementary?

### Welcome to Year 6!

### COMPUTING

We will be learning about how we use technology to communicate well but also safely.

### PSCHE

Being me in my world!

### HISTORY

How did Manchester help to end WW2?

### ART

We will be studying a variety of different artists and basing some of our work on theirs.

### SCIENCE

#### *Evolution and Inheritance*

- recognise that living things have changed over time and that fossils provide information about living things that inhabited the Earth millions of years ago.
- recognise that living things produce offspring of the same kind, but normally offspring vary and are not identical to their parents.
- identify how animals and plants are adapted to suit their environment in different ways and that adaptation may lead to evolution.
