

Evidencing the Impact on Primary PE and Sports Premium

2020-2021

Context

The PE team (OL, RC and JS) have the responsibility for developing PE, School Sport and Physical activity within the school and deciding the effective use of Sport Premium funding. St Stephens Primary School have got an excellent reputation for delivering high-quality sport provision in school, attending numerous competitions, offering a wide range of after school clubs and providing opportunities for all to take part in physical activity throughout the academic year. At St Stephens Primary School, our vision is to provide engaging opportunities for children to experience high quality physical education and school sport through personal challenge and competition that will lead to life-long participation. We are also committed to ensuring that we follow the guidance given around Covid 19 to ensure that our PE curriculum contributes to improving both mental and physical health. This includes getting pupils back to a broad and balanced PE curriculum as well as extra-curricular activities when it is deemed safe to do so.

Our key achievements to date include:

- Providing early years children with the equipment and lessons to learn to ride a bike in the 'progression to pedals' scheme
- Engaging children in numerous competitions with other schools (not since March 2020)
- High levels of participation in extra-curricular active clubs
- Links with local sports clubs and Lancashire Cricket Club
- Engage children as playground leaders
- Teacher's professional development, skills and confidence in coordinating PE provision as a result of specific training

We intend to review this document throughout the year evidencing the impact of Sports Premium Funding to ensure it is accurate.

Our key targets for this year include:

- To work towards the Silver School Games Mark
- To roll out the PE hub planning across the school to show clear progression and consistency from Reception – Y6 and improve teacher's confidence in the teaching of PE
- Continue to encourage participation in a range of competitions throughout Tameside schools
- Providing early years children with the equipment and lessons to learn to ride a bike in the 'progression to pedals' scheme
- Creating an active school mentality throughout the school and across the curriculum and promoting good mental health via exercise and sports

School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
<ul style="list-style-type: none"> Providing Reception and Year 1 children with a safe and accessible outdoor area 	Resurface the Y1 outdoor area with resin Resurface the Rec area with resin	£9745.85	Children are able to use the outdoor area safely Children are able to use the outdoor area for outdoor learning Reception children to use the outdoor area at both lunchtime and playtime	
<ul style="list-style-type: none"> To allow teachers access to the PE hub planning across the school to show clear progression and consistency from reception – y6 and improve teacher’s confidence in the teaching of PE 	To reinvest in the software from ‘PE Hub’	£455	Clear consistency and progression seen throughout the school	
<ul style="list-style-type: none"> Ensure that we are adhering to COVID 19 restrictions in relation to sharing equipment between classes 	5 storage boxes for equipment for each year group to ensure that there is no sharing the equipment. Buy in new equipment for the boxes – Foam balls Hoops Skipping ropes Footballs Space hoppers Dodgeball	£370.83 £1,530.61	Children have safe access to their own equipment. Equipment is organised and all children can access it	

	Pump and adapter Pogo ball Disks			
Update equipment when needed to ensure it is fit for purpose	Hockey balls Bibs Sports bag	£43.96 £81.74 £69.93	To ensure all pupils have resources that are in good condition for PE lessons	
Supply winter jackets for staff for outdoor PE	Winter jackets	£108.18	To ensure staff have the correct clothing to allow for outdoor teaching.	
Membership to Tameside School Sports Partnership Use of Russell Scott Sports Facilities The figures include a brought Forward Balance of £3,440 from the Previous Financial Year And a Carried forward of £6,321 to be used for the upgrade of the School Playground	Pay fees to Tameside School Sports Partnership	£1000 £1500	Access the resources from TSSP	

Devolved Formula Capital (DFC) Allocation 21/22	7594.5
DFC Allocation 20/21	8422.98
PE Grant	16270
PE Grant b/f	6321
Total	38,608.48
