

## **Evidencing the Impact on Primary PE and Sports Premium**

### **St Stephens CE Primary School**

**2019-2020**

The PE team (OL, RC and JS) have the responsibility for developing PE, School Sport and Physical activity within the school and deciding the effective use of Sport Premium funding. St Stephen's Primary school have an excellent reputation for delivering high-quality sport provision in school, attending numerous competitions and providing opportunities for all to take part in physical activity throughout the academic year, despite the lack of field and playground at the school. At St Stephens Primary School, our vision is to provide engaging opportunities for children to experience high quality physical education and school sport through personal challenge and competition that will lead to life-long participation.

#### **Our key achievements to date include:**

- Providing early years children with the equipment and lessons to learn to ride a bike in the 'progression to pedals' scheme
- Engaging children in numerous competitions
- High levels of participation in extra-curricular active clubs
- Links with local sports clubs
- Engage children as playground leaders & Sports Ambassadors
- Teacher's professional development, skills and confidence in coordinating PE provision as a result of specific training

We intend to review this document throughout the year evidencing the impact of Sports Premium Funding to ensure it is accurate.

**Our key targets for this year include:**

- To work towards the Silver School Games Mark
- To roll out the PE hub planning across the school to show clear progression and consistency from reception – y6 and improve teacher’s confidence in the teaching of PE
- Continue to encourage participation in a range of competitions throughout Tameside schools
- Providing early years children with the equipment and lessons to learn to ride a bike in the ‘progression to pedals’ scheme
- Creating an active school mentality throughout the school and across the curriculum

<b>School focus with clarity on intended impact on pupils:</b>	<b>Actions to achieve:</b>	<b>Funding allocated:</b>	<b>Evidence and impact:</b>	<b>Sustainability and suggested next steps:</b>
